Subject:

Amendments to *Pastoral Award 2010 Superannuation*

Date: 14/1/14

The *Pastoral Award 2010* has been amended in accordance with a 30 December 2013 Decision of the Fair Work Commission.

The main alteration has been the insertion of a provision that requires a default Fund (where an employee who has been eligible to choose his/her own Superannuation has declined to do so) to offer a MySuper product.

In addition, FuturePlus and Westscheme have been deleted as default Funds.

The variations are effective from 4 December 2013.
