TRANSITIONAL ARRANGEMENTS COMPLETION

Date: 20/6/14

The 5 year Transitional Arrangements (TA) process which began on 1 July 2010 will be completed on 1 July 2014.

From 1 July all of the terms and conditions of the PA will apply to all Employers regardless of their Industry or incorporated or unincorporated status.

Wage sheets incorporating increase resulting from the TA process and the 3% increase in the National Minimum Wage which is also effective from the beginning of the first pay period commencing on or after 1 July 2014 can be found in the Industry Sections.

A full copy of the Award as at 1 July 2014 will be available in Industry Sections when published.
