ANNUAL WAGE REVIEW 2014

Date: 20/6/14

The Fair Work Commission (FWC) on 4 June 2014 handed down it's Decision increasing the National Minimum Wage by 3% effective from the beginning of the first full pay period commencing on or after 1 July 2014.

On 19 June the FWC released Orders giving effect to the Decision in respect of the *Pastoral Award 2010* and the *Horticulture Award 2010*.

Please note that as wage increases resulting from the fifth and final Transitional Arrangements process will also become operative from 1 July, the actual total increase in wages effective from 1 July 2013 will be in excess of the 3% NMW increase.

Wage Sheets incorporating both the NMW and TA increases can be found in Industry sections.

Please contact PEQ if you require clarification of the above or additional information.
